- cPanel

ARIEL L. ARTIAGA

Web Developer

I'm a developer with a keen eye for good design and developing a website. I love to make complex things simple and easy to use. I have solid experience from 4+ years in the field. I can handle both the front-end and back-end development of a website. I also have a serious passion for UI effects, animations, and creating intuitive, dynamic user experiences on websites.

Work Experience

2022 – Present

MatterDesign

FULL STACK DEVELOPER

- Working on complex ecommerce and website development projects using the latest technologies and platforms
- Ensuring user interfaces are cross-browser compatible, mobile responsive, and are smooth for the end-user
